## BOOK KARLYN BORYSENKO TO SPEAK TO YOUR GROUP

*Psychologist. Undercover Journalist. Author.  
Radical Left Decoder.*

**Karlyn Borysenko is not your average  
political commentator.**

She's a trained psychologist who spent over four years *embedded* inside far-left activist circles—attending their meetings, infiltrating their trainings, collecting receipts from the inside. Karlyn speaks their language fluently and translates it into plain English so your audience can see the playbook *before* it hits the headlines.

**See a sample of Karlyn's work here:** [decodetheleft.com/about/](https://decodetheleft.com/about/)

Karlyn's talks are sharp, evidence-packed, and brutally clear. No fluff. No speculation. Just firsthand intelligence about how the radical left really operates—and what to do about it.

**Karlyn brings:**

- A massive archive of undercover video, propaganda, and strategy docs
- Insider analysis of activist ideology, networks, and psychological tactics
- Real-world examples your audience won't see anywhere else

Whether you're trying to understand what's happening on college campuses, the goals and beliefs of the activists pushing these ideas, or what the left's next move will be, **Karlyn gives you the receipts.**
