LGBTQ politics used by the top tiers as a corporate loyalty signal. It's empty branding with no ideological depth.

Pink triangle marks the growing presence of queer ideology. What starts as symbolism becomes the engine of the revolution.

TIER 1: DEMOCRAT.

Establishment politicians focused on incremental reform within capitalism. Mostly corporate aligned.

TIER 2: LIBERAL.

Thinks government should solve inequality through policy, not systemic overhaul. Morally driven.

TIER 3: PROGRESSIVE

Wants structural reform – Medicare For All, Green New Deal, Debt Cancellation. Flirts with socialism but won't say it.

TIER 4: DEMOCRATIC SOCIALIST.

Wants to replace capitalism with democratic ownership. Operates inside electoral politics, but goal is post-capitalist society.

TIER 5: REVOLUTIONARY SOCIALIST.

Believes capitalism must be overthrown entirely. Rejects reform. Advocates for revolution, abolition, and radical restructuring of society.
